

# Follow-up Report from 2021 Maggie's Giving Group Charities Live Thrive-Center for Hard to Recycle Materials and the West Atlanta Watershed Alliance

August 2022

## LiveThrive's Center for Hard to Recycle Materials

We are so grateful for the donation last year from Maggie's Giving Group. We could not survive without folks like you! We received a little over \$8,000 in donations. We used some of the funds to create a new video used for education and on our website. You can watch it [HERE](#).

We used other funds to print new bookmarks and signage for our facility. We would love to have you come by sometime for a tour!

Take good care,  
Peggy Whitlow Ratcliffe, Founder/Executive Director Live Thrive

## The West Atlanta Watershed Alliance

WAWA did not submit a report of the use of the funds received by Maggie's Giving Group in 2021.
